

Service Champ Product Warranty

12 MONTHS

Warranty Code: T

These products supplied by Service Champ carry a 12-month warranty after installation or use against defects in material and/or workmanship. They are also guaranteed to meet or exceed original equipment manufacturers' specifications. Products which have been improperly installed, been used for other purposes than what they were intended for, exceed normal use or which have become defective due to inadequate protection while in the customer's storage are not covered by this warranty.

The invoice price of a product supplied by Service Champ which proves to be defective will be credited in full. The product claimed to be defective must be returned to Service Champ for inspection. No credit will be issued unless the product has been returned to Service Champ.

LIFETIME

Warranty Code: L

These products supplied by Service Champ carry a lifetime warranty after installation or use against defects in material and/or workmanship only. They are also guaranteed to meet or exceed original equipment manufacturers' specifications. Products which have been improperly installed, been used for other purposes than what they were intended for, exceed normal use or which have become defective due to inadequate protection while in the customer's storage are not covered by this warranty.

The invoice price of a product supplied by Service Champ which proves to be defective will be credited in full. The product claimed to be defective must be returned to Service Champ for inspection. Warranty tool returns can be made four times per year in the months of March, June, September and December exclusively. No credit will be issued unless the product has been returned to Service Champ.

MANUFACTURERS

Warranty Code: M

These products carry the warranty provided by the manufacturer of the product. The warranty varies by manufacturer. Be sure to refer to warranty guidelines which are included with the product. **IMPORTANT!!!** Your warranty on these items is not with Service Champ, but with the manufacturer.

NO WARRANTY

Warranty Code: N

There is no warranty on these products. They are generally one-time use items such as chemicals, safety products, etc.

NOTES

Prices, terms, and specifications are subject to change without notice. **Service Champ** is not responsible for any errors on this price list, typographical, or otherwise. Possession of this price schedule does not constitute an offer to sell.
